

MESSAGE FROM MD'S DESK

Dear Friends

As India stares at the 2nd wave of COVID-19, we need to be more careful and vigilant. Its only with our collective efforts we can conquer the pandemic. With the vaccine in place, we do have a ray of hope. Let's all of us contribute to this fight by staying at home and helping our frontline warriors in every way possible.

The importance of Social Distancing is even more evident in current times. Personal hygiene and positive mindset are the key to survive these tough

times.

These testing times have also reiterated the need for sufficient insurance.

Insurance, whether life or other, goes a long way in ensuring family's financial security. If done wisely, it works as a sound investment as well. We at Shriram know this very well and that's why we have insurance products that ensure complete peace of mind. While no insurance can replace loss of a loved one but it will certainly give them financial strength to face the tough times.

From life to health Shriram has a complete bouquet of insurance products. While Shriram brings to you one of the best life insurance products we also offer health insurance in association with GoDigit. Our dwelling, Shri-home care, individual personal accident and motor insurance for two & four-wheeler insurance makes us a one-stop-shop for all your insurance needs.

I urge you to get in touch with your Shriram advisor who will be more than happy to help you with insurance plan that is just right for your needs.

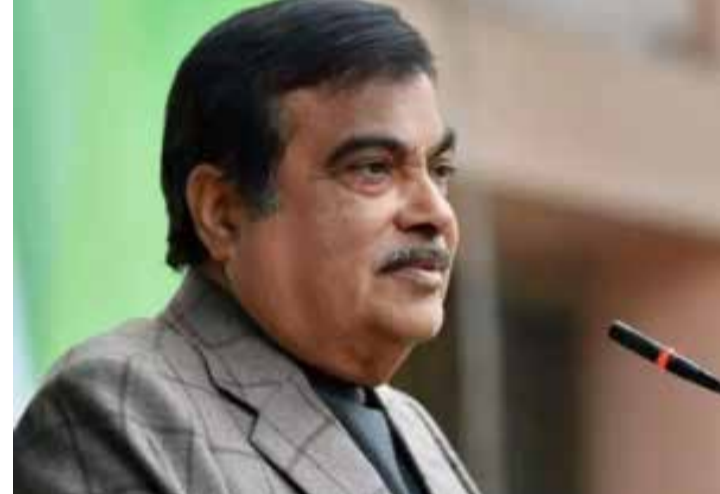

I would like to end by requesting all of you to stay safe. Do take vaccine if you are eligible for one. And let's send out a prayer for all the COVID warriors and those who are fighting the virus right now.

I assure you once again that Shriram will always be there for all your financial needs and we will give our best to get our country back on its feet.

We will win this war against the virus.

Jai Hind
