

Message From MD'S Desk

Dear Friends

Your participation and encouragement with every edition of this newsletter inspire us to bring out the best in us. I wish to thank each and every one of you for this overwhelming reception.

Let me start by wishing you all a happy new year. While 2020 was the year of survival, may 2021 be the year of new hopes, opportunities, and milestones. With the invention of the COVID-19 vaccine and drop in the active cases, we are looking at a year full of newer possibilities.

All of us have shown great resilience during the tough times and its now time to ripe fruits of our hard work. We may not be able to get back the time we've lost but we can certainly get back the lost momentum and bring our nation in the fast lane for growth. Each one of us will have to play our part and give 100%.

Another thing we must be equally careful about is our finances. It is easy to give in to our desires and splurge on unnecessary expenses. But we must differentiate between what we NEED and what we WANT. In fact, savings should be the resolution for this year and we must stay committed to it.

Saving does require discipline and investing is the best way to get that. You can get into a savings regime with two of our investment products - Unnati Fixed Deposits and Unnati Recurring Deposits. These products will not only get you into the habit of regular saving and investing, but also help you earn best-in-the-market returns. You can invest in our FD if you have a lump sum or invest a smaller amount on regular basis in our recurring deposits. In both cases, your money will work as hard as you do.

I urge you all to educate your near and dear ones on importance of savings and encourage them to follow a strict savings regime. It will not only help you be ready for the future but also help you build corpus for your loved ones.

Jai Hind

Industry News And Updates

Govt extends validity of vehicle documents like DL, RC, permits till Mar 31

The union transport ministry on Sunday extended the validity of motor vehicle documents like driving licence (DL), registration certificate (RC) and permits till March 31, 2021, in view of the ongoing COVID-19 pandemic.
